SKILLS

- Python Coding
- Visual Design
- Visual Design
- Photography and Editing

AWARDS

- 3rd Place – AMSP Advanced Mathematics Competition, Collaborated in a four-person team and placed third out of 16 teams.

PERSONAL SUMMARY

I am a dedicated and passionate student with a strong interest in coding, learning, and developing my skillset in collaborative environments. My journey into programming began at Cardinal Hume Catholic School- an "Outstanding" OFSTED-rated, World-Class status institution. I am currently pursuing a T-Level in Digital Production, Design, and Development at Gateshead College, where I am expanding my knowledge in software development.

WORK EXPERIENCE

Sandwich Hut
Team Valley, NE11 0JY   2023 - 2023

- Prepared and assembled a variety of fresh food items with attention to quality and presentation
- Provided friendly, efficient customer service in a fast-paced environment
- Maintained cleanliness and organization of work areas, ensuring compliance with health and safety standards
- Handled transactions accurately
